

## How you can help!

Bunny Besties is a non-profit 501 3(c) serving the Metropolitan Twin Cities area.

We work in hospitals, nursing facilities, the University of Minnesota, People Serving People Homeless Shelter, and many more. We travel bringing special educational events to those interested in learning about the work of registered therapy rabbits and how we serve our community.

If you would like to help us by becoming a volunteer or a donor please visit our web site and contact us. We would be grateful for your generosity.

With Gratitude,  
Your Bunny Bestie

## Where Therapy Rabbits are too Hoppin Cute to Miss!

Our **mission** is to kindly bring the magic of the therapy rabbit, to show we care for those in need within our community. With our **values** and fellowship, Bunny Besties creatively promotes caring, education, stress management and finding joy through the human animal bond. Our **vision**, is to impact our local community as Bunny Besties, through our commitment to helping those in stressful life situations, know that they are not alone.

We achieve this caring through our committed volunteers, who bring the highly sensitive rabbit, to those in need of the kind of love, only a therapeutic animal can provide, in relationship with a trusted handler. We promote education, stress management, and joy while thanking the rabbit for being the beautiful vessel to help us in our work, to serve the Twin Cities area.

- We are Pet Partners registered and carry liability insurance of \$2 million per team.
- We have over twenty five members in our Bunny Bestie Brigade!
